

DIOCESE OF SAINT AUGUSTINE

Office of the Bishop

March 25, 2009

To any interested Catholic Parish or Group:

In the event that you are looking for an engaging presenter, who loves the Lord and his Church, and who fully supports the Church's teaching, I heartily recommend Roy Schoeman.

Mr. Schoeman is a convert to the Catholic Faith from Judaism. However, he does not consider himself a convert as much as a completed Jew, who has discovered the promised Messiah in Jesus and accepted the Kingdom of God that Jesus came to establish —His beautiful Bride, the Church.

As chaplain of the Jacksonville chapter of Legatus, I celebrate their monthly Mass and join in the supper gathering afterwards. Mr. Schoeman was our guest presenter for the October meeting of 2004. He was very well received as one of our most memorable speakers.

If you wish more information on Mr. Schoeman, you may access it at:

With every best wish, I am

Sincerely yours,
